

"SO AS TO REMOVE MOUNTAINS" BY SKY TALLONE (COMEDY)
SECRET ROOM SCENE: KIDS (5-11)

SECRET ROOM

Jenny enters a room filled with magician's equipment, and several cages with more white rabbits.

KAITLYN (11), a girl who looks a lot like Morgan and is dressed in the more flashy magician's outfit, sits in the corner like a prisoner. She eats a half-eaten slice of bread.

KAITLYN

Whoah, you found it.

Jenny shrieks, startled by Kaitlyn.

JENNY

Morga-- wait... you're not Morgan.

KAITLYN

Yyyeah, you weren't really supposed to see this... I'm her double.

JENNY

Her double?

KAITLYN

Yeah, for when she wants to do tricks like the thing on the roof earlier. I'm on call 24/7.

JENNY

Are you serious!? Isn't that... inconvenient?

KAITLYN

Oh you don't know the half of it. I gotta keep my hair cut like this. Unless she wants to change hers, then I gotta change mine. I hate it, it's too short! And I'm not allowed to come around the other kids any more cuz Morgan thinks they'll figure it out, I'm not even allowed to play outside! I'm an outcast, a loner... living half my life in this sad secret room and the other half in fear of getting the call.

JENNY

So just tell her no!

KAITLYN

And have her suck out my soul and keep it in a grape jelly jar? I don't think so. I like my soul.

JENNY

I'm sure she can't do that.

KAITLYN

Who knows what she can do!?

JENNY

Well-- clearly she uses you for some of her tricks, and the secret door, and--

KAITLYN

And how does she walk on water!? And a hundred other things she does that we can't explain!

JENNY

It doesn't matter! Just because she's put a lot of work into knowing how to trick us doesn't mean she deserves our worship. In fact, it's proof that she doesn't even deserve our friendship! You keep your soul by being you. The real you. By doing good, not helping people like her manipulate the whole neighborhood!

KAITLYN

Everyone follows her. She'll turn them all against me!

JENNY

Well... you've got me.
